

PLEASE VOTE

JOSH & TINA

FOR GOVERNOR & LT. GOVERNOR

LET'S GO GUAM: Another Republican leader endorses Josh & Tina

FOR IMMEDIATE RELEASE

June 20, 2026

The bipartisan support for Josh Tenorio and Tina Muña-Barnes continues to grow, a strong indication that trust in the gubernatorial ticket is rooted in something deeper than just party loyalty: faith and belief that the pair are the most qualified candidates to lead Guam into a new era of affordability and prosperity.

“My dad taught me to be there for our community. And he taught me that there will be moments you need to be a father figure for those who need one. That’s why I’ve been at the forefront of building youth programs and facilities so our kids have a safe place to be — where they can learn leadership and teamwork. Where you learn that you don’t leave people behind. I don’t give up on the people of Guam because we never give up on each other,” Tenorio said.

At the team’s latest meet and greet event held Saturday evening, Hågat Vice Mayor Christopher Fejeran, a Republican, endorsed Josh and Tina, sharing with voters how Tenorio’s leadership as Lieutenant Governor resulted in investments into his home village.

“I see what this administration has done for our community. For the roads being paved in our village proper, thank you, Lt. Governor. We also now have our new playgrounds, something that’s been given to so many villages. And there’s a lot of things down the line, like flood mitigation in the R.R. Cruz area. That says a lot about our Lt. Governor. I’m sure he and Tina will continue what’s been done,” the Vice Mayor said. It’s not about whether you’re a Republican or Democrat — it’s about who helps you. I’m asking you to ask your families to vote for this team. Biba Josh and Tina!”

Other prominent Republicans supporting the ticket include Humåtak Mayor Johnny “Båda” Quinata, Former Malesso’ Mayor Ernest Chargualaf, and Former Senator Fernando Esteves.

“I’m going to use the foundation we built over the last seven years to propel us into the future. We need leaders that will work together to produce results, not the one competing to be the best dart-thrower. We need a team who will support one another, who will cooperate to get people the help they need. That’s the kind of leadership our people need, because one person can’t do it all,” Tenorio said. “Let’s unite behind our great Democratic candidates! When one of us wins, we all win — and if one of us loses, we all lose.
